Quorum:

1. **Land Acknowledgement**

2. **Acceptance of Agenda**

3. **Acceptance of Previous Meeting Minutes**

4. **NSWA / SRWA Alignment –** Ray to send updated alignment agreement to Scott / Kelsey / Bernie to get on next SWRA agenda. Bernie to follow up at next SRWA meeting.

5. **Grant Funding Update**
   a) *FCM needed more information. Carolyn sent updated bylaws and helped with renaming of LILSA to provide FCM what they needed.*
   b) *Still have ~$2,700 – Could Whitestone do anything with that towards the Lake Mgmt Plan. Bernie to follow up with Dr. Jones prior to next meeting.*

6. **Flowering Rush Update**
   - This summers team has surveyed Sturgeon River and other areas. Nothing in the river, nothing in Lac St Anne. Flowering Rush seems to be held at bay at west end of Lake Isle.
   - Five year program ending this year. Trying to get extended.Had meeting with Minister, including Environment. They are going to get back on renewal of maintenance program.

7. **Council Presentation Review**
   - *Alberta Beach – Presented to council. No questions or comments.*

- *Castle Island – June 30. Received very favorably. They were advised of a timeline of up to three years, and were ok with that.*
- *Lac Ste Anne – Done. It was asked about a contact number for people with questions? Suggested that we use LILSA's email.*
- *Lake Isle – Presented. Agreed to be host municipality for grants if needed.*
- *Ross Haven –Presented.*
- *Southview – Presented. Concern about a financial ask, given current pinch.*
- *Sunset Point - Presenting tomorrow.*
- *West Cove – In favour of what we have done. Carry on! Requested additional funds.*
- *Silver Sands – In favour and support*
- *Val Quentin - In favour and support. Lots of positive feedback.*
- *Yellowstone - In favour and support*

8. **Social Media Messages**
   - Carolyn / Ray to work on a series of four social media messages to be shared on various Facebook pages. Intent would be to share over a period of 5-6 months.
   - Carolyn to present to LILSA at next meeting, then at the upcoming WQ2 meeting.
   - Link provided to WQ2 Update Pages
   - Also invite people to join LILSA meetings, questions welcomed 3 days in advance.

9. **Lake Mgmt Plan Next Steps**
   - While waiting for funding, perhaps we skip step 5, proceed with Step 6 and 7. Step 5, 8, and 9 need technical expertise with.
   - Carolyn to reach out to contact whom was involved with Lake Mgmt plan to understand the consultants that they engaged with. Hydrologist?
